Re: Notice of Intent to Pursue Legal Action
Violation Notice L2019 LK393
Site #0971505067-Lake County
CHDS, LLC
Landscape Waste Composting Facility
Compliance File

Dear Mr. Powell:

On September 15, 2020, we met to discuss the Notice of Intent to Pursue Legal Action issued for violations cited at the above site.

The meeting was held pursuant to Section 31(b) of the Illinois Environmental Protection Act as an effort to resolve the alleged violations of the Act, regulations and permit. Upon careful review of the information provided we have determined that the activities observed at the site do not fit within the applicable parameters of the Illinois Pollution Control Board's decision regarding mulch under *Kramer Tree Services* request for an adjusted standard. Nor was any information provided that would support a determination that the activities on the site were in compliance with the permit issued by the Illinois Environmental Protection Agency.

In conclusion, the meeting did not resolve the alleged violations.

If you have any questions, please contact me 847/377-8002.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Adam".
