Compliance File

Dear Mr. Powell:

This Notice of Intent to Pursue Legal Action is provided pursuant to Section 31(b) of the Illinois Environmental Protection Act ("Act"), 415 ILCS 5/31(b) (1994). The Lake County Health Department ("LCHD") is providing this notice because.

CHDS, LLC have/has failed to comply with some, or all the terms of the Compliance Commitment Agreement approved by the LCHD on October 21, 2019.

The LCHD is providing this notice because it may pursue legal action for the alleged violation(s) of environmental statutes, regulations, or permits specified in Attachment. This Notice of Intent to Pursue Legal Action provides the opportunity to schedule a meeting with representatives of the LCHD to attempt to resolve the alleged violations of the Act, regulations, and permits specified. If a meeting is requested, it must be held within 30 days of receipt of this notice unless the LCHD agrees to an extension of time.

If you wish to schedule a meeting with representatives of the LCHD or have any questions, please contact me 847/377-8002.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Adam".
